Area 07 Chair's Report

We are half way through the first year of this panel and it seems just like yesterday I was elected to serve our Area. I hope we are starting to feel a little more comfortable with our positions and asking questions if we are not. The last few weeks I have been thinking about what our past Pacific Regional Trustee Joel said in one of his talks about "What Shape is your Triangle". I looked back at the Grapevine article from October 1989 where he got that topic from and it reminds me that AA's Three Legacies are symbolized by equal sides, to express the equal importance of Recovery, Unity, and Service in a sober life.

Early in my sobriety for the first few years I had one side and that was recovery. I had no idea of the traditions and concepts but as my sobriety grew, so did my love and knowledge for AA. I started to learn about service and little by little my triangle began to form. Unity for me was the last side of the triangle. I had the fellowship unity but it was the unity from the traditions that helped my triangle finally have three sturdy sides. Is my triangle always the same length? I wish I could say yes but unfortunately that's not true for me.

The last few months have been hard for me, I've had my challenges in life, sobriety and spirituality. Right now as I write this report my triangle is very lopsided on the Service side. It's much longer than the other two sides of Legacies. I'm glad I can turn to our literature to help me see that. I share this with you for you to know regardless of the positions we serve from Area, District, in our Home Groups we might come upon some struggles in life and that's okay. In that moment we might have to ask ourselves "What Shape is our Triangle"

Happy 24hrs

D40, Carrie: We are struggling to find an available/affordable location to host the 2023 Pre Conference Assembly and will keep Kendyce posted on our progress. We are hoping to rally some attendance for Jen's Post Conference Assembly report Aug 6 in Fresno.

D56, Heriberto: 17 groups and 7 GSRs. PI/CPC working with radio

Old Business:

E-Services – whether chair should be funded to attend assemblies and ACMs. Currently not funded, only for assemblies. Kendyce read last month's minutes about the topic.

Discussion:

- all appointed positions should be funded if they aren't by their district
- e-services position has grown. For ex; post conf – GV rep was selling books and needed a document to help w sales. Bc e-services was there and had equipment we were able to do that.
- if we want to eventually adopt hybrid it requires a lot of knowledge and would fall in purview of eservices.
- e-services is not an appointed chair. Typically, this person is a DCM, along with finance committee chair, so they're funded by their district. Do we want to fund this position? There is a lot of responsibility, lots of new work post-COVID. Person currently doing it on their own dime.
- winter assembly moved online suddenly. Personally, witness e-services pivot to online. Prepping
- at least in short term need something to support them. What is being built at national level? At some point need to figure out if we're doing hybrid.
- important to currently fund balance of this panel. No one should be of service at their own expense. We could look at this annually.
- what has been seen in the progression of this role, it's getting more and more specific. We split oral and written translation in panel 62. We got an alt archivist for a better pass it on process. We need someone who can do tech support for computers, web support etc, esp last two years. Needed someone to manage zoom. If you're a DCM. You need to be here as a DCM, not distracted by e-services duties. E-services should look at developing the role more forward thinking

-Districts pay to have things brought back to them, not doing stuff for the area.

-what is term limit for e-services? 2 years.

-do we have an estimated cost? Description of duties?

-would make sense to finance e-services in short term and move forward with permanent service position.

New Business:

D29 request to borrow audio and translation equipment for Unity Day: no conflicting events, D54 is helping. Unanimously approved. Moving post conf next year: motion to move 2023 post conference assembly to May 6 and 7, 2023, second by Titia, Matthew and Lianne. Discussion: moving earlier leaves less time to prepare. Not opposed to moving date but maybe later for Delegate's sake. Jenn says she can pull it off. Substantial unanimity approval. Minority opinion: vote to move to June. Doesn't change any opinions - will be May 6 and 7. Reconsidering prudent reserve. Discussion: Don passed out and sent via email. Prudent reserve higher than expected. Don was thanked for examples in the motion. Archives & Alt-Archives to Workshop – there is a line item for archivist to go to meeting 1x every other year and alt to go other year. Nancy K emailed Finance committee if we should have both go bc no attendance last two years. Budget for Nancy to go is approved, approving alt would be new business. No motion presented to send. ACM locations: Downtown Sac Church last month (\$200x8. The church knows/loves AA, wifi access.), this month West Sac Church (\$175 - church manager helpful/accommodating. Good parking). Motion to have ACM meetings in West Sac church. Discussion: would be good to see which location is better for hybrid. Parking better for persons with disabilities. Motion passed with substantial unanimity. Minority opinion: I like the other place better. Motion stands - new ACM location at West Sac Church.

ACM closed at 3:32 pm with the responsibility declaration.

In Love and Service,

Emily L

GSR Preamble

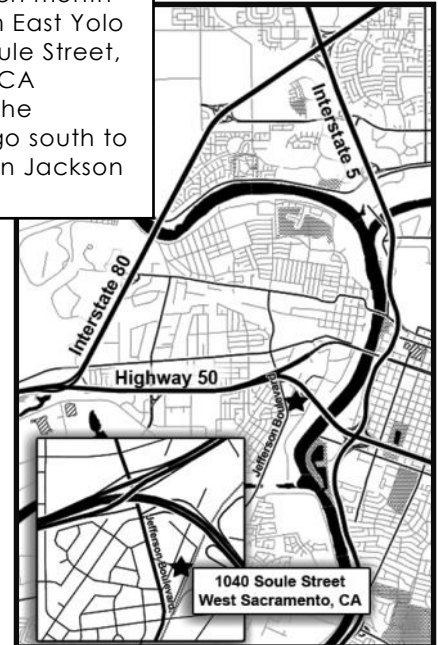

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.

We realize that the ultimate authority in A.A. is a loving God as He may express Himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that the group can reach an informed group conscience. Passing along this group conscience we are helping to maintain the unity and strength so vital to our fellowship.

Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups and A.A. as a whole.
