## Area 07 Chair's Report

Concept IV short form : At all responsible levels, we ought to maintain a traditional "Right of Participation," allowing a voting representation in reasonable proportion to the responsibility that each must discharge. As we are approaching a busy few months I want to remind the GSR's how important it is to participate in our assemblies. There is a spiritual reason for the "Right of Participation." All of us desire to belong. In A.A., no members are "second class." The "Right of Participation" therefore reinforces Tradition Two, that no member is placed in "ultimate authority" over another. We perform our service tasks better "when we are sure we belong — when our 'participation' assures us we are truly the 'trusted servants' described in Tradition Two."

Our Finance Committee has been hard at work preparing the spending plan for 2023. I would like to thank Holly, Don, Sam, Valerie and Tom for all of their hard work. Holly presented the draft at the August ACM and I hope that a copy has made its way to the GSR's and their home groups. We will be discussing the spending plan at the ACM again this month. The Finance Committee will be presenting the spending plan at the Assembly in October to get it approved.

In addition to the Assembly in October, the Pacific Region Forum was September 16th–18th and the 19th Local Hispanic General Service Forum (Foro) is in December as well as the 7th Annual Hispanic Women's Workshop. Deadline for submission of stories for the Fifth Edition Big Book is October 31st 2022. If you have any questions please email [5BBstory@aa.org](mailto:5BBstory@aa.org)

Finally, I had the opportunity to attend ICYPAA (International Conference Young People In Alcoholics Anonymous) and support the Nor-Cal Bid. Im excited to announce Nor-Cal was awarded the Conference and will be hosting ICYPAA in San Francisco 2023.

Happy 24hrs

### Old Business:

**New Business:** Hispanic Women's Conference - the conference is requesting \$600. Loren makes the following *motion* "I make a motion to donate \$600 to the Hispanic women's workshop for 2022" The motion was seconded by a member. Discussion: is this something that the area traditionally does? Yes. The motion passed with substantial unanimity. Hand in Hand Women's Day of Unity - This women's conference wants to borrow interpretation equipment Friday Sept 9 to the following Monday/Tuesday. Discussion: it's area practice that an area officer be there with the equipment, will someone be? Treasurer confirmed that it can be an appointed chair covered by our insurance and Nancy K Archives will be there. The sense of the room is that we'd like to lend our equipment - Kendyce and Nancy will coordinate. 2023 Spending Plan - Treasurer Holly reviewed the draft spending plan and asked for questions/feedback. Comments/questions: For Accents what is the difference between production and printing? Printing company does postage/folding/processings. What is the line item for GSC under miscellaneous? Air fair, hotel, cost for delegate - it's not under delegate because it's our contribution to GSO rather than an expense of the delegate (the 1100 under Delegate is walking around money during the GSC). Someone shared they feel that funding every officer and appointed chair (and alternate) to attend PRAASA feels excessive. Someone asked if the \$600 we just approved for the Hispanic Women's Conference is included. It is not.

ACM closed at 4:06 pm with the responsibility declaration.

In Love and Service,

Emily L

Recording Secretary, Panel 72

## The Area Takes Its Inventory

Greetings, fellow trusted servants. Thinking back to my first personal inventories, it was suggested to look at my life and actions— good, bad, and indifferent. To see what I've done well, where I've gone off the beam, to set things right, and not wait too long between house cleanings. In a similar way, the time is upon us to take the area's inventory, as we do every other year at our Mini PRAASA Assembly. This is our opportunity to consider how we carry the Area's informed group conscience and meet our responsibilities in the General Service structure.

*In the years ahead we shall, of course, make mistakes. Experience has taught us that we need have no fear of doing this, providing that we always remain willing to confess our faults and to correct them promptly. Our growth as individuals has depended upon this healthy process of trial and error. So will our growth as a fellowship. Let us always remember that any society of men and women that cannot freely correct its own faults must surely fall into decay if not into collapse. Such is the universal penalty for the failure to go on growing. Just as each A.A. must continue to take his moral inventory and act upon it, so must our whole society do if we are to survive and if we are to serve usefully and well. – Alcoholics Anonymous Comes of Age, p. 231*

DCMs who participated to develop this year's questions shared their experience, strength, and hope, and were guided by past Area inventories, the A.A. Group pamphlet, and our Twelve Steps, Traditions, and Concepts. We used whatever communication channels worked best – Zoom, text, phone, in person, and email. I am grateful for the loving discussions.

To all the GSRs, thank you in advance! Please review these questions with your group and get ready to share at the assembly.

## 2022 Area Inventory Questions

How can our Area become more receptive to change?

How can the Area support all Districts to grow and participate in ways that make sense for their unique geographic locations, meetings, and members? Do we support all members to participate in service events and activities?

Do I have a good understanding of the Area's primary purpose? Does our spending plan reflect and support the priorities? Do we make efficient use of our 7th Tradition contributions, resources, time, energy, knowledge?

How effective and useful is the two-way communication between the Area and districts? How can the Area support Districts, Groups and GSRs to use the Traditions, carry the message, and fulfill their primary purpose to reach the still-suffering alcoholic?

DCMs: If you would like to submit an additional question, please send an email to [alt-chair@cnia.org](mailto:alt-chair@cnia.org) by September 30.

In fellowship,

Kendyce M.

## GSR Preamble

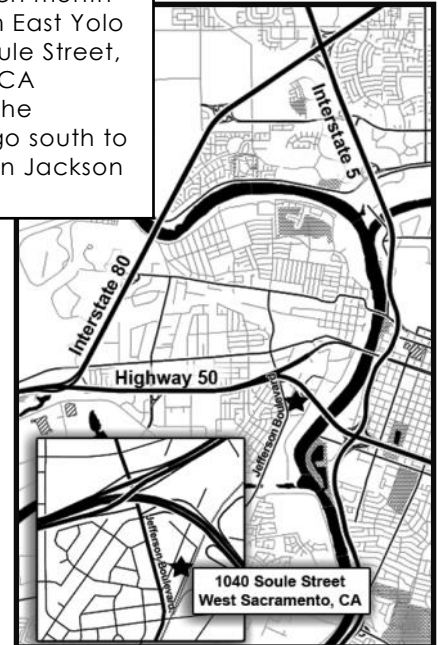

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.

We realize that the ultimate authority in A.A. is a loving God as He may express Himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that the group can reach an informed group conscience. Passing along this group conscience we are helping to maintain the unity and strength so vital to our fellowship.

Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups and A.A. as a whole.
