## General Service District 15 Area 07

From the Desk of the DCM:

Many members ask: "What's the difference between intergroup and district?" So what is the difference, anyway? Both are charged with the responsibility of carrying the message to the next suffering alcoholic. In our particular location, intergroup hosts events and the campout, publishes the newsletter, staffs the answering service and distributes the meeting schedules; whereas, district sends the DCM to Area meetings and Assemblies, maintains the meeting schedule and registration database, maintains the website, supports the GSRs in their function and has various committees (accessibilities, Bridging the Gap, PI/CPC, archives, Grapevine and other liaisons) that help to carry the message. The primary purpose of district and area is to provide the link in the chain of communication between the individual members and AA as a whole. This is what the GSRs do. They get input from their group and pass along that information to the district and area delegate. It is important to note that. (if you haven't heard it before) "One Member, One Group, One Vote." If you are attending a meeting that isn't your home group, please do not vote. If the group allows it, you may voice your experience and concerns.

This month I'd like to say a little about the Public Information Committee. "Like all of AA, the primary purpose of members involved with Public Information service is to carry the AA message to the alcoholic who still suffers. Working together, members of local Public Information committees convey AA information to the general public, including the media." If you see a PSA (public service announcement), that is the work of the Public Information Committee. A simple gesture that all members can do is to place a printed schedule on public bulletin boards in the library, laundromat, park, schools, etc. Always a good idea to get permission first! If you would like to help with this vital service, please attend the District meetings on the fourth Monday of the month at 6:30pm at 2341 Floral Avenue in Chico.
